NEW

As we look around, everything is new: a new year, century, millennium, administration, even the weather is giving us a new look after so much dry, and, yes, a new Volume of the Quarterly, our 42nd. We hope they will all be very good.

AGS has some new Board members, officers and committee chairs. We welcome Karel Danford, Carol Lutz, Wynnell Noelke and Betsy Tyson as new Board members, and Putnam Monroe, who rejoins the Board after a much-needed rest. Also, Anna Price was named to the Board to fill Betty Treder’s term.

At a special meeting of the Board on 9 December, it was happily able to persuade Marilyn Henley to succeed herself as President. She is giving us some wonderful leadership, and we are glad she agreed to continue the good work she has set in motion. Phil Roberts has become First Vice-President, new Board members Carol Lutz and Darel Danford will handle the Second Vice-President-Programs and Treasurer’s chores, respectively, and Charles Locklin steps in as Treasurer. Lorrie Henderson will continue to serve as Corresponding Secretary (she is so adept at it). All-in-all we Board by-standers feel it is a top-notch team. Congratulations to all.

AGS BY-LAWS HAVE BEEN REVISED

At the January 2001 regular meeting of the membership, a complete revision of the Austin Genealogical Society By-laws was voted into effect. This was the culmination of work that initiated last September when President Henley appointed a special committee chaired by Phil Roberts to review the existing by-laws and recommend any changed deemed appropriate. The complete new By-laws now in effect are printed following these Comments. The purpose of this revision is not to change our Society in any way, but is mainly to update the rules to the current time frame and to reflect current needs in providing adequate genealogical support to the community.

NEWS FROM DISTRICT 13, TEXAS STATE GENEALOGICAL SOCIETY

Jean Walker, our valued AGS representative to the TSGS, has given us an update on current activities of interest to members:

The TSGS Board voted to raise dues for individual members to $20 for year 2002. The increased costs for paper, printing and collecting are rising so that at current dues, Stirpes, the TSGS quarterly would be printing at a loss, something which couldn't continue. Stirpes editor Frances Pryor in turn wants your queries, Bible information, journals and other data of historical and genealogical value. She principally wants Texas area material.

Don't forget our Fall TSGS Conferences. We will meet in Tyler this year, in Galveston in 2002 and Texarkana in 2003. Those local groups are already working on arrangements, programs, etc.

Vol. I of Texas First Families is available with index. Order from Wanda Donaldson, 3219 Meadow Oaks Drive, Temple TX 76502-1752. Copies are $41.00 prepaid; Index is $13.83.

Jean can be reached at texasjean@hotmail.com or 512-472-2625 for further information. Thanks, Jean, for this information.

GRAY GOLDEN MEMORIAL RESTATEMENT

Gray Golden was the golden name in Austin genealogy. As the printout from an issue of the Austin American Statesman on the next page indicates, she helped genealogy to get started in this area as an avocation and a profession. Having been an attendee at one of her seminars this editor can attest to her extraordinary capabilities as a genealogist, speaker and person. After her death AGS established the Gray Golden Memorial Fund in her memory. Anyone wishing to make a contribution, either monetary or in the form of a book, to the Genealogy Collection, Texas State Library, in honor or memory of another individual, is invited to do so through the Golden Fund. A contribution form for this purpose is included at the back of this issue and we request that you fill out and include the form when making a contribution.

NEW MEMBERS ALWAYS WELCOMED

Although the 2001 Membership Handbook is being printed, this doesn't mean you are not welcome to join AGS if not yet a member. An application form is also included at the back of this issue for your convenience; please fill it in and remit as per its instructions.

CONCERNING THE FEDERATION OF GENEALOGICAL SOCIETIES

There are two genealogical societies of national scope and import in the U.S.; the National Genealogical Society and the Federation of Genealogical Societies. The NGS tends toward individual memberships, certification, professionalism, etc, while the FGS emphasizes the importance of genealogical activity at the local society level. Both are very good. The FGS accepts membership from local societies and AGS has just voted to join that group. We will be bringing more FGS news in coming months.

Meanwhile it is good to know the FGS has an area office right here in Austin. It is operated by Madilyn Coen Crane in her home, and she can be reached at 512-336-2735 or at fgs-office@fgs.org. Incidentally, Madilyn is looking for part-time help: flexible hours, computer skills, etc; located near US183 and Anderson Mill Rd. Call Madilyn if you are interested.

RE MAGGIE LAMBETH BOOKS

We recently received a catalog from Maggie Lambeth, Rare Books, Maps & Prints, P.O. Box 1600, Blanco TX 78606, 830-833-5252, listing over 360 rare publications on Texas and Texana. The listing is quite extensive; anyone needing a copy of an old or out-of-print book on Texas may want to contact her.
CEMETERY PROJECT AWARD

On Page 23 we copy a letter received from Yvonne Perkins, TSGS president, confirming AGS’ reception of a $300 matching grant from TSGS for its active Travis County Cemeteries project. This is a signal honor; we understand it is the first such award made by TSGS and a great tribute to Jean Shroyer and the entire committee. Congratulations!

No cemeteries are reported in this issue; winter weather has hindered data acquisition some, but work is continuing and we expect to bring more information shortly.

WALKER COUNTY GENEALOGY FAIR

On 23 June 2001 the Walker County Genealogical Society is presenting the “first ever” Texas Genealogy and Family History Fair at the Fair Grounds in Huntsville. Contact 936-295-5551 or www.DickensonResearch.com/wegen.htm for more information.

REQUIREMENTS FOR ANCESTOR LISTING PAGES

Reminder: Next Issue is June Members’ Ancestor Listing Pages

We want to remind members of AGS that the upcoming June issue is mainly devoted to presenting members’ submissions covering their genealogical research and interests. Because the number of new members (and submissions) is growing, it becomes necessary to re-state the Quarterly requirements for such submissions:

1. Members are limited to a maximum of two full pages for each individual membership ($20) or four full pages for each family ($30) or higher membership category. Check your membership category before you submit. If more than the permitted number of pages are sent, the Editor will use his discretion as to which excess pages are omitted. Material should be on 8 1/2 x 11 size paper.
2. Pages may be handwritten, typed, or computer-generated but must be as black as possible and legible. The copy submitted will have to be reproduced at least twice before printing and at each step some quality is lost. The Editor assumes no responsibility for lack of readability if this requirement is not met. Please also retain a 1-inch margin on all sides of each sheet to allow for header, footer and binding areas.
3. The material should be of the submitter’s choosing but preferentially should be genealogical or historical in nature. The submitter is completely responsible for content, accuracy and freedom from copyright infringement. AGS assumes no liability for these matters.
4. Months should be spelled or abbreviated; no numbers should be used. Dates should be in genealogical format: DAY, MONTH, YEAR. The name and address of the submitter should be on each page of material. The Editor reserves the right to format and/or edit the material so that it will be printer-ready.
5. Material should be sent to the Editor at 4500 Hyridge Drive, Austin TX 78759 no later than 10 May 2001.

Please don’t let these requirements keep you from sending in material. You probably already are preparing your information in much the requested fashion. Thanks both for your consideration and for the material which you will be sending.

End
West Texas Pioneers

---from the pages of the Fort Worth Star-Telegram

A few years ago, I received a suggestion that there may be genealogical material of general interest in a manuscript holding called “West Texas Pioneers” at the Barker Texas History Center, Center for American History, at the University of Texas here in Austin. I looked into the file and was agreeably impressed, but noted that the material was completely loose in the files and necessarily required indexing before it would be of any value for genealogical purposes.

The Fort Worth Star-Telegram is a venerable and long-respected Texas newspaper; it has had a continuous record of publishing under the same masthead for many, many years. Fort Worth has always been uniquely located—“Where the West begins”—if I remember the phrase correctly. The newspaper has prided itself, as has the city, for being the window to the West, certainly that part of the West which is represented by our great State. It seems that in about 1931 the editors apparently recognized that many of the people who settled West Texas were getting up in years, and so before they were gone the paper ought to provide some means of individual recognition of these genuine pioneers. To do so, the paper included, possibly in each issue or every so often, a small blank form or coupon which a reader, if he or she identified as a pioneer, could clip, fill out and mail in. This “campaign” apparently continued for some time, perhaps into 1934. From the size of the file I would guess there are over 3000 people who sent in at least a coupon. Some submitted other material—many 1- to 5-page handwritten or typewritten letters (on the 1930 model Royals and Underwoods then available); there are in some cases newspaper clippings, photos, and other material pertinent to a particular person’s life in this pioneer area. Of most interest are the letters, mostly written in pen or pencil, very informally and in the all-but-lost idiom of the day. They talk of Indians, dust storms, wagon travel, rustlers, all the many perils those people faced as a matter of life. Many mention other family members or neighbors, along with dates; it is these which are genealogically of most value. Here the gold is in the content, not the binding. Copies of a typical coupon and letter (Charles Robert Carruth of DeLeon, Texas) are included herein.

In 1986, Linda B. Allie and W. L. Hudson published a book entitled West Texas Pioneers in which they excerpted information on 542 senders from the collection. The compilation reproduces or extracts quotations from the letters and other written material and is an excellent sampling of the overall holding but it lacks any information on the remaining senders. That remaining material needs exposure as well. There is a reference in this book indicating that pictures/photos in the collection were given to the University of Texas at Arlington where they were placed in Special Collections. In any case, at least some photos remain in the CAH holding.

As mentioned, the matter is loosely held in manila file folders in 5 archive file boxes. It is indexed by alphabet letter in each folder and the material is placed reasonably alphabetically within each folder, but since the forms, letters, photos, etc are variously sized and loose in the folders this system breaks down. At least the paperwork for each specific pioneer is paper-clipped together. The paper is aging (not much acid-free here), particularly the newsprint, the paper clips are rusting a bit, and some material is hard to read. So the indexing is a matter of carefully unclipping and extracting pertinent index information. Sounds easier than it really is.

Early on, I called the Star-Telegram and was told they no longer had archive material dating back into the 1930’s and they didn’t recall the project. I assume that at some time after 1934 the editors simply decided to bundle this material and send it to Barker, where it was catalogued and shelved¹. Barker (I know, UT wants us to call it the

¹ A copy of the Allie-Hudson book is also at the Center for American History

Page 8
All but it shall always be Barker to me), as with all archival libraries, has carloads of material awaiting indexing and this batch is with good reason way down on their priority list. Yet, as I scan the holding I know that many of the letters, etc would be very meaningful (and perhaps supply needed family information) to a genealogist descendant of certain of the pioneers to say the least. The holding deserves some publicity in addition to the Allie-Hudson book.

I decided to index the material (which runs to 2 feet 1 inch in size), bit by bit as I had time. The library staff readily agreed to my doing so and then publishing the index in the Quarterly if they were favored with an early copy of the index—easiest thing to agree to I ever ran across. I originally wanted to get the whole indexing completed before publishing. But time slips by, and I find myself at this point with 400 entries, and just now through the “C’s”. There are likely over 3000 names in all. The slow pace has determined me to begin publishing the index now, and supplement in future Quarterly issues as the material can be further worked.

The important information on each coupon was the name, residence in 1931-4, date of birth, and date when moved to West Texas. To supply a bit more information on the amount of material accompanying each name I have worked out the following set of abbreviations which apply to the Remarks column for each entry:

\[
\begin{align*}
_{pl} & = \text{page letter (accompanying the form)} \\
nc & = \text{newspaper clipping} \\
ob & = \text{obituary} \\
oi & = \text{other information} \\
on & = \text{other names in letter than writer’s} \\
ph & = \text{photo(s)} \\
\text{No remark} & = \text{nothing accompanying form}
\end{align*}
\]

I make no pretense about accuracy or completeness regarding these classifications. My main intent is to pick up on the name, residence and birthdate of the pioneer. If a reader finds a name of interest and wants to look at the material it will be necessary to go to Barker (CAL) and thumb through the loose matter until the subject is found. What you find may disappoint you, but in many cases you will be enthralled. I hope so.

Following are pertinent details on the archive:

\[
\begin{align*}
\text{Location:} & \quad \text{The Center for American History} \\
& \quad \text{The University of Texas at Austin} \\
& \quad 2.101 \text{ Sid Richardson Hall} \\
& \quad \text{Austin TX 78712} \\
\text{Holding:} & \quad \text{Archives and Manuscripts} \\
& \quad \text{West Texas Pioneers, 1931} \\
& \quad 2 \text{ feet 1 inch} \\
\text{Boxes:} & \quad 21H354 \ A-D \\
& \quad 21H355 \ E-K \\
& \quad 21H356 \ L-Q \\

\end{align*}
\]
Typical Letter in West Texas Pioneers' Holding, CAH

following are entries for surnames beginning with A thru C which have been indexed so far. Hopefully indexing can be completed in the near future. And hopefully there will be more than a few readers who will recognize a grandparent or family member, and just maybe find a hand-written letter by that person they
never knew existed.

Remember this riddle/rhyme from the early 1930's?

Once a pigboliceman
Saw a bittlelum
Sitting on the sturbcone
Chewing gubberrum.
Said the pigboliceman
To the bittlelum,
"Simmegome!"
"Ninny on your tintype!"
Said the bittlelum. ------ LFH
Fred McLaughlin Family

Fred was born on 17 January 1880, in Austin, Texas. He was the 4th child of Rowena Amelia Terheun and Chatham Ewing McLaughlin. When he was born, his parents were living in the same house that his grandparents, Amelia Jane Wheatley and Elias McLaughlin, had bought when they moved to Austin about 1860. The address of the house was 304 West 13th Street, and it was located one block west of the Texas Capitol Building. Emma Delia Sperry was born on 2 April 1886, in Nephi, Juab, Utah. She was called Della.

As a young man Fred held several odd jobs. One of these jobs was delivering papers, including "The Rolling Stone" written by O. Henry. He attended Austin High School, and was one of the founders of the school newspaper, "The Comet". He served as Chief Reporter and as the Business Manager. Fred attended the University of Texas. Then he went to work for the U. S. Geological Survey as rodman. He worked as a Topographical Engineer for the Department of the Interior for 32 years. He traveled much of the United States making topographical maps. One of these trips took him to Frisco, Utah where he met the girl he later married - Fred and Della were married on 18 December 1907 in Nephi, Juab, Utah. Della accompanied him on his trips until the birth of their first child, after that she spent most of her time in Washington, D.C. All four of their four children were born there: Malcolm (14 July 1909), Winifred (1 November 1914), Nina (6 November 1915) and Charles Hugh (25 February 1921).

In 1917, Fred went into the Army as a Captain in the Engineer Corps. A flu epidemic swept the country that year and it sent Fred to Walter Reed Hospital. In his weakened condition, he contracted tuberculosis and remained in the hospital until 1919. During this period, Fred's brother, Hugh, took Della and her three children to Utah on the train, to stay with her family. Fred was able to leave the hospital in January 1919, then he and his family lived next door to his older sister, Maud.

Fred loved to write. He had won awards when he was in high school. In the early 1920's he took writing classes at Georgetown University. He then published two books, The Blade of Picardy, and The Vale of Aragon and wrote a 3rd manuscript, The Eyes of Ito Ito, which was circulated among family members, but has been lost. He also wrote 70-80 short stories and novelettes.

In 1932, at the age of 52, Fred retired and moved to Santa Monica, California to be close to his brother, Allan and his family. In 1957, when he was 77 years of age, at the urging of his daughter, Winifred, he wrote an autobiography entitled The Biography of an Unimportant Man. It contains much interesting information about his family, his childhood and his life before he married. Fred died on 18 June 1963 in Los Angeles, California and was buried in the Veteran's Cemetery there. Della died in Los Angeles on 24 October 1965.

Chatham Ewing McLaughlin, Jr. Family

On 27 March 1885, Chatham Ewing "C.E." McLaughlin, Jr. was born in Austin, Texas. He was the 5th child of Rowena Amelia Terheun and Chatham Ewing McLaughlin. When he was born, his parents were living in the same house that his grandparents, Amelia Jane Wheatley and Elias McLaughlin, had bought when they moved to Austin about 1860. The address of the house was 304 West 13th Street, and it was located one block west of the Texas Capitol Building. Julia "Judy" Burke Costello was born 26 January 1884 in Portland, Oregon. She was the child of Ann Burke and Peter Costello, an Irish immigrant.

Judy's parents both died when she was very young and she was raised by two bachelor uncles, Martin and Michael Burke. She attended St. Mary's academy, a Catholic girl's high school that still exists. She was a musician; she played piano, organ and violin -accompanying vocalists and participating in a string trio; she also sang in the choir.

Ed. Note: These discussions cover the last six of the children of Chatham "Chat" Ewing McLaughlin. Discussions of the McLaughlin family started in the September 2000 issue of the Quarterly and are concluded herein. The material was submitted by Myra Eichenberger, PMB 5894, 158 Rainbow Drive, Livingston TX 77599-1058. We thank Myra for this information.
C. E. grew up in Austin, Texas. About 1901, he left high school to take a job on a newspaper. He left Austin to find a better job in Winnipeg, Manitoba, Canada. From there he went first to Vancouver, British Columbia, Canada and then to Portland, Oregon. In Portland, he met Judy, either at the choir picnic or in the choir. Judy sang alto; C.E. was a baritone. They were married on 26 June 1917, in the Immaculate Heart Church. Their son, Martin was born on 23 June 1918. Martin was a "war baby" and kept his father, who had already been drafted, from being sent overseas.

C.E. was a stereotyper and was very active in the union -- International Stereotypers and Electrotypers Union, Local #48. Despite his limited formal education he was always relied on as a negotiator with the publishers; he also wrote witty, whimsical articles and doggerel poetry, which got published in the newspaper when news was light; after all, he set the type and the matrix! In the depths of the depression he lost his job with the Oregon Journal (partly because of this union militancy) and moved to various other newspapers during the next few years -- the Salem Statesman and the Vancouver, Washington Columbian.

He had a collection of harmonicas. "He continued to be an entertainer; as a member of the Knight of Columbus (Catholic version of the elks), he often entertained at meetings and other gatherings by singing (during which he would tear up a newspaper and produce a very interesting design (like a snowflake, etc.)); then he would play various harmonicas, sometimes more than one at a time. He also could play the musical saw." Martin Michael McLaughlin

On 2 July 1934, C.E. died of a heart attack. He was buried in Mt. Calvary Cemetery in Multnomah County, Oregon. On 29 April, Judy died in Portland, Oregon.

Rena McLaughlin/William "Bill" Alexander Darter Family

William Alexander Darter was born on 27 October 1883, in Fort Worth, Texas. He was the 3rd child of Annie Mary Gordon and Dr. Isaac Michael Darter. Rena (nmn) McLaughlin was born on 9 April 1887, born in Austin, Texas. She was the 6th child of Rowena Amelia Terheun and Chatham Ewing McLaughlin. When she was born her parents were living in the same house that her McLaughlin grandparents had bought when they moved to Austin about 1860. The address of the house was 304 West 13th Street, and it was located one block west of the Texas Capitol Building.

Bill's father died when he was 10 years old, and his mother remarried. Bill dropped out of school after the 6th grade to help support his family. His mother died when he was 20. He entered the University of Texas at the age of 24. Rena graduated from Austin High School in 1904, and attended the University of Texas for several years. She then taught at the Bickler School for 3 years, 1908-11. While she was teaching she and Bill, whom she had met at church, coached the football team, the McLaughlin Tigers. The team won the city championship in 1910.

Rena tutored Bill to help him pass freshman English, a class he took several times, but never passed. In the end, they scheduled their wedding day, 7 June 1911, to conflict with his English Final, and the professor gave him the class as a wedding present. Rena & Bill had planned to do missionary work in Mexico. Unfortunately, Rena's mother had a 2nd and massive stroke in November 1911, so they changed their plans and moved in with Rena's parents so she could care of her mother and younger sister, Mickie, age 15. Rena's parents lived with them until 1927.

While Rena and Bill were living in Austin, they had three daughters, Margaret Leah (1912), Maud Ann (1913), and Rowena Totten (1916). About 1917, Bill had accepted the job as Superintendent of the Brenham Public Utilities, and the family moved to Brenham. They moved back to Austin during World War I when Bill was asked to teach airplane engines in School of Military Aeronautics. The family was back in Brenham in 1919 when Rena and Bill's last daughter, Billy Mildred, was born.

In 1923, the family moved to Giddings, Texas. Bill purchased the Giddings Texas, Light, Power and Refrigeration Plant, the water works, the creamery (which made Ice cream and butter) and the bottling works/Coca Cola franchise. About 1937, the family moved to LaGrange, Texas where Bill opened up a new farm implement business. In 1947, Rena and Bill moved back to Austin to retire. They helped organize the University Christian Church and were charter members.
Allan Wheatley McLaughlin Family

Allan Wheatley McLaughlin, was born on 9 July 1889 in Austin, Texas. He was the 7th child of Rowena Amelia Terheun and Chatham Ewing McLaughlin. He was named after his uncle on his mother's side, Allan Wheatley Rudulph. When he was born, his parents were living in the same house that his grandparents, Amelia Jane Wheatley and Elias McLaughlin, had bought when they moved to Austin about 1860. The address of the house was 304 West 13th Street, and it was located one block west of the Texas Capitol Building. Ruby K. Spears was born on 9 September 1891 in Archer City, Texas. She was the child of Laura K. and Robert Spears. She had three siblings: Sam, lone and Hazel.

In 1900, Allan was 11 years old and working as a carrier for the Galveston/Dallas News (newspaper). As a child Allan waited every day for the ice truck to come by. He would hop on and ride on the truck until he fell off, then he would be covered with dust. This earned him the nickname "Dusty". Allan's sister Rena thought he was still riding on the ice truck and delivering ice to the Spears when he met Ruby, the girl he married. He was the champion roller skater in the county. The first prize he brought home was a greased pig he had caught in the skating rink. He could do anything on skates and the family was proud of him.

In 1912, Allan was working as a printer and living with his parents at 1100 Blanco Street. He married Ruby K. Spears that year. They built a beautiful home in Austin and had one child, a daughter, Ruby lone McLaughlin, born 5 February 1915. In 1916, Allan was a printer for the Austin American (newspaper).

About 1921, Allan and his family moved to California. There he was a printer for 30 years on the Evening Outlook (newspaper) before he retired. He was a Deacon at the First Christian Church in Santa Monica. He liked to fish and was at home with a fly rod in a stream or surf fishing at the ocean. He was an avid bridge player and during his retirement he would play almost every day at the bridge club at Lincoln Park in Santa Monica.

Ruby lone McLaughlin married Benjamin Stream Woodcock in Santa Monica, California on her mother's birthday, 9 September, in 1940. They had two sons, Allan and John. Ruby lone taught school and her mother, Ruby, helped care for Allan and John during their earlier years and after school when they were older. Allan had a close relationship with his grandsons, he took them on many camping trips and outings.

Ruby was an excellent homemaker and cook. Ruby and Allan were very much devoted to each other and were inseparable throughout their lives. They both died in Santa Monica, California. Ruby died about 1972, and Allan died on 22 January 1974.

DeWitt McLaughlin TerHeun Family

DeWitt Terheun McLaughlin was born 27 May 1891 in Austin, Texas. He was the 8th child of Rowena Amelia Terheun and Chatham Ewing McLaughlin. Evangeline "Van" Kroh was born on 14 August 1898 in Evansville, Indiana. She was the daughter of Cora E. Phelps and James Henry Kroh.

DeWitt was always a good student and had a beautiful voice, he sang in the boys choir in the St. David's Episcopal Church. He took part in all the plays in the town and school and directed most of them. For a while DeWitt lived with his older brother, Fred, In Washington, D.C., where 11e attended Georgetown University. Later he graduated from the University of Texas and Rice Institute (now Rice University) where he directed most of the plays put on by that school. During World War I, DeWitt was a Captain in the Infantry. DeWitt went to work for Sinclair Oil Company as a research petroleum engineer. During a voyage to China he met Van. It is said that he threatened to jump overboard if she would not agree to marry him. They were married on 11 September 1924, in a Chinese Garden.

In 1925, DeWitt and Van were in Paris, France. He earned a Masters Degree at the Sorbonne. Their first child, Patricia "Pat" Phelps McLaughlin was born there on 30 June 1925. When DeWitt returned to the U.S. he was the Head master at the Greenwich Country Day School in Greenwich, Connecticut. In 1934, their second child, Phelps Kroh TerHeun was born there on 31 March 1934. In 1935, the family moved to Los Angeles, California where DeWitt was Head Master at Hammond Hall Jr School. Their third child, Harrison Kroh McLaughlin, was born there on 14 September 1935. About 1939 DeWitt and Van divorced. After the divorce the DeWitt changed his name to DeWitt McLaughlin TerHeun, and Van and the children changed theirs, too. Van and the boys moved to Scottsdale, Arizona.

Ruby was an excellent homemaker and cook. Ruby and Allan were very much devoted to each other and were inseparable throughout their lives. They both died in Santa Monica, California. Ruby died about 1972, and Allan died on 22 January 1974.
During World War II, 1941-45, DeWitt wanted to reenlist in the Army, but was not accepted. To contribute to the military effort he went to work for an aircraft factory in Los Angeles. He worked as a night watchman, and was called "Old Mac". During this time he was a frequent dinner guest at his brother Fred's house.

In 1947, DeWitt married Clare Harding Weber. About 1950 they bought the Highfield Estate in Falmouth, Massachusetts. Students from Oberlin College presented Gilbert & Sullivan Summer Theater there. Many family members visited Highfield during the summer season. In 1959, DeWitt was appointed to the Central Opera Service of the Metropolitan Opera. In 1960-1, he served on the Metropolitan's auditioning committee.

Clare died in 1959. William "Scot" Milligan, Mickie's husband, died that same year. DeWitt and Mickie then lived together until his death on 1 December 1963. They spent summers at Highfield, and winters in Austin, Texas. DeWitt is buried in the McLaughlin Family plot in Austin, Texas in Oakwood Cemetery. Evangeline "Van" Kroh TerHeun died in July 1966 in Phoenix, Arizona.

Mildred Amelia McLaughlin/William Sutherland Milligan Family

Mildred Amelia McLaughlin was born on 9 November 1896, in Austin, Texas. She was the 9th and last child of Rowena Amelia Terheun and Chatham Ewing McLaughlin. When she was born her parents were living in the same house that her McLaughlin grandparents had bought when they moved to Austin about 1860. The address of the house was 304 West 13th Street, and was located one block west of the Texas Capitol Building. As a child Mildred was called Millie, and as an adult she was called Mickie. William "Scot" Sutherland Milligan was born on 25 February 1897 in Glasgow, Scotland. He was the son of Isabelle Sutherland and Joseph Milligan.

Mickie graduated from Austin High School in 1914 and attended the University of Texas. She obtained a degree and a teaching certificate about 1918. Scot served in World War I as an officer with the Argyle and Sutherland Highlanders. He immigrated to the United States in 1921. He must have made more than 1 trip from Scotland to American and arrived from Glasgow, Scotland on the vessel Cedric which arrived at the Port of New York in the State of New York on 26 December 1922. He was an accountant and met Mickie when he was sent to audit W.A. Darter's books at the Power Plant in Brenham. Mickie and Scot were married in Austin, Texas on 8 October 1923. They stayed one night with the Darters in Giddings and then they were on their way to Kansas City where Scot had a good job waiting. Scot earned his CPA in September 1924.

In 1937 Scot's company transferred him to Europe. They were stationed in Copenhagen when the Germans invaded and then went to London where they stayed all during the war. He worked for a British government's rubber control agency, which distributed rubber among the Allies. Mickie drove ambulances during the war.

In November 1947 Queen Elizabeth II married Prince Philip, the Duke of Windsor. Mickie was a "Lady of Waiting" for the Queen during the wedding. It was her job to watch over the Wedding Presents. She was given a magazine size book commemorating the wedding.

In 1948, Mickie and Scot returned to Austin, Texas. Scot had tuberculosis and was allowed back into the states only with some special help from the then Texas Senator, Lyndon Baines Johnson.

In 1950, Scot was made the Treasurer of the Highfield Estate, Inc. and they moved to Massachusetts to help DeWitt care for the estate at Falmouth. It was a happy business arrangement until Scot's death on 8 Jan 1959. DeWitt's 2nd wife, Clare died that same year. Then DeWitt and Mickie made their home together - in Austin for the winters and Falmouth for the summers. This continued until DeWitt's death in 1963. Then Mickie moved to Austin and lived close to Rena & Bill Darter until her death in 1976. She died 13 June 1976, she and Scot are buried in the McLaughlin Family plot in Oakwood Cemetery.

Austin, TX 78767

Dear Marilyn:

The Texas State Genealogical Society was pleased to present the Austin Genealogical Society, Partner Society of TSGS, a "Matching Funds" Grant for the abstracting, inventorying and publishing of all identifiable Travis County cemeteries in a single useful resource. The Grant II is given to those Partner Societies who have a membership of 100 - 300. A check for $200 was presented to the society at the Awards Banquet at the Annual Conference in Wichita Falls on November 11, 2000, with the remaining amount presented when the project is completed.

The project will be a great help to the genealogical researchers who work in the Travis Co. area and the Austin Genealogical Society should be commended for their work in canvassing the cemeteries.

Sincerely,

Yvonne S. Perkins
TSGS President
BOOK REVIEWS

20th Century Henry County, Georgia is a genealogist's dream for anyone who had ancestors in that county. Important data as well as heart-warming personal notes may be found in the pages of the county newspapers between 1900 and 2000.

However, this reader found it disappointing to encounter long lists of surnames without first names, and not even alphabetized for the reader's convenience.

Later on, a section of alphabetized men gives excellent short obituaries. Apparently, the only way to find a certain man is to locate him in the Index—which seems to be accurate. But it is a bit startling to see Ronald Reagan's middle name given as President, and that Mr. Nutmeg bears the first name of Store. Was Ola baptized Baseball?

The arrangement of dates of newspaper excerpts seems rather erratic, but can be figured out eventually.

Many aspects of life are revealed in Henry County newspapers, including the Camp Creek train wreck; the death of Floyd Collins; names of the Henry Countians who fought in Confederate units during the Civil War and those in World War I; Ministers; obituaries 1900-95 (in alphabetical order) - dozens of interesting items are scattered throughout the book.

Apparently this book was compiled hastily, after several years of hard research, with many misspelled words and typographical errors, not to mention distorted syntax. But I am sure that it will delight many lucky readers who will be able to locate their ancestors in Henry County, Georgia.

This volume will be given to the Texas State Library Genealogy Collection as a contribution in the compiler's name.

Davidson & Littlepage Cemetery and Genealogy

Davidson Littlepage Cemetery
Location: Austin, Texas
near State Highway 71 and US 183

Unmarked Grave: I ran across this interesting article. How true it is remains to be seen. The Source: STIRPES, June 1996 - Caperton Findings by M.C. Forister, p. 48, which says, "Milton Thompson Caperton (4/24/1811 - 4/7/1907) ...believed he died in Travis Co., TX but there is no death record, obituary or anything on file concerning his death. He was the first pastor (preached from 1857-1872) at the Onion Creek Baptist Church in Austin, Travis Co., Texas. He also preached in Caldwell and Hays counties...In 1984, Milton's great-grandson, the late William Estel Perry, said there was a story about an old drunk man who disliked Rev. Milton Caperton. So the drunk man went to Milton's grave, which could be the oldest, smallest cemetery with a 6 foot chain-link fence built by the Highway Dept., on the corner next to Lockhart Hiway 183 that goes to Bergstrom AFB. It is on the left side going north into Austin downtown. There are five tombstones with six graves with the names Littlepage and Davidson, around two miles from the Caperton cemetery. He dug up Milton's grave, and took Milton's skull and threw it into his wagon and drove off with it.

Martha E. A. Davidson was born in Tennessee. Her maiden name was Martha Elizabeth A. Burditt. She was the daughter of Jesse F. Burditt and Mildred Crain Burditt. In 1817 they settled on the upper waters of Big Flat Creek on the south fork of the Duck River, Bedford County, TN. Her parents did not stay there very long and moved on to Limestone County, Alabama. They were there until 1829. Their youngest son, Jesse F. Burditt, Jr. was born in Limestone County. They then settled in New Herman, Bedford County. Their daughter, Martha, married Andrew M. Davidson, Bedford County, May 6, 1833 according to the Nashville Banner. It said she was the daughter of Jesse F. Burditt, Esq. Later in 1833, Jesse and Mildred Burditt headed for Texas. Martha and her husband, Andrew M. Davidson, stayed in Tennessee until 1839. They had two children: a daughter, Lavina C., born 3 May 1834 and a son, James, born 8 August 1836, TN and were citizens of Texas by 30 November 1839. Both those children are buried with their mother in the Davidson-Littlepage Cemetery.

Lavina C. Davidson, daughter of Andrew M. and Martha Elizabeth Burditt Davidson, came to Texas with her parents in 1839. She married John Eaton Campbell on 28 April 1853 at the Presbyterian Church in Austin. They had one daughter, Maggie, born 25 August 1854. Lavina C. Davidson Campbell died 17 August 1857. Maggie Campbell married Robert Emmett White on 18 Nov, 1874. They had five sons and one daughter. Robert Emmett White was Travis County Sheriff, Mayor and Judge.

James Davidson died at the age of 20. No records indicate he was married.

The Community of New Sweden, Travis County, Texas actually started on the Knight Ranch where Martha and James Knight were raised. Martha was the daughter of Lewis Knight and Emily Crain Knight. Emily Crain was the daughter of Ambrose and Mary (Polly) Crain. Ambrose Crain was a brother to Mildred Crain Burditt and his wife, Mary (Polly) Burditt Crain, was a sister to Jesse F. Burditt. Martha Knight Littlepage married James Arbuckle Littlepage. She died in 1857 and is buried in the Davidson-Littlepage Cemetery.

Susan V. Littlepage, born in Virginia, was Susanna Shanklin Van Arsdale. She married James Beverly Littlepage about 1816. He died in San Marcos, Travis County, Texas, in 1857. Their son, James Arbuckle Littlepage was the husband of Martha Knight.

It should be noted that James White, owner of the Broken Spoke, Austin, Texas, is also a descendant of the Davidson family. Lavina Davidson Campbell is his great grandmother and we are both great/great grandchildren of Martha Elizabeth A. Davidson

33According to Robert Henry, in his narration to Alfred E. Mann, he hired out, "I was doin' plowin' on the Andy Davidson farm, on what was then called Birdie's Prairie, near where I live here now. I was gettin' fifteen dollars a month fo' my work. My folks lived in a house wid me. Fathaw was rentin' land from Mr. Davidson on de thirds and fourths. We made good crops nigh every year. We raised cotton and cawn, but never no cane. Dere was enough grass fo' all times fo' de cattle. We cut de wild bottom grass and cure it fo' de winter's use. Data grass would grow to waist high. The Austin Genealogical Society

GENERAL INFORMATION

PURPOSE: Austin Genealogical Society was organized in 1960 as a not-for-profit corporation chartered by the State of Texas. Its purposes are to collect and preserve genealogical and historical information about the people of Texas, particularly pertaining to the City of Austin and to Travis and surrounding counties; to instruct and assist members in genealogical research; and to publish public and private records of genealogical interest. In addition, the AGS supports the Genealogical Collection, Texas State Library by donations of books and other genealogical material. Gifts and bequests to AGS are tax-deductible to the full extent permitted by law.

MEMBERSHIP is open to all upon payment of annual dues. Classes: Individual: $20; Family (two in the same household): $30.00; Patron of AGS: $100.00; Lifetime: $500.00 ($300 if over 65). All classes entitle one copy of each Quarterly and monthly Newsletter, as well as two pages apiece (a total of four pages for Family or higher whether one or two people submit listings) in the Ancestor Listing issue (June). After 1 July, dues are $10.00 for the balance of the year, but you will only receive the publications produced after the date you join. Membership includes receipt of the annual Membership Handbook which is published each Spring.

DUES FOR EXISTING MEMBERS ARE PAYABLE on or before JANUARY FIRST of each year for the ensuing year. If dues are not received by 1 February, the name must be dropped from the mailing list. If membership is reinstated later and Quarterlies and Newsletters have to be mailed individually, postage must be charged. (Back Quarterlies are supplied only IF available--very few extras are printed). Send payment to AGS Treasurer, P.O. Box 1507, Austin TX 78767-1507.

MEETINGS of the general membership begin at 7:30 p.m. on the fourth Tuesday of each month except August and December. Members are encouraged to come as early as 6:30 to socialize with each other. MEETING PLACE: Highland Park Baptist Church, 5206 Balcones Dr., Take Northland (FM 2222) exit off Loop 1 (Mopac). Go west one block to Balcones Dr, then left ½ blks. The Church and parking lot are on right. VISITORS ARE ALWAYS WELCOME. The Board of Directors meets at 6:15 in a separate room.

BOOK REVIEW POLICY: Books on appropriate subjects related to genealogy will be reviewed, but CANNOT be reviewed in AGSQ on the basis of advertising alone. If a review copy is received by the Review Editor at 2202 W. 10th. St., Austin TX 78703 by the first of February, May, August or October, it will be reviewed in the next Quarterly, space permitting. It will then be placed in the Genealogy Collection, Texas State Library, available to all patrons.

CHECK RETURN POLICY: Members and other payees must pay AGS the cost of any returned check (currently $5.00) over and above the charge their bank may impose.

AGS QUARTERLY is issued about the middle of March, June, September and November. Contributions are welcome, subject to editing for style/size. Contributor is completely responsible for accuracy and any copyright infringement. AGS assumes no responsibility for content of submitted material. See inside front cover for address.

ANCESTOR LISTING PAGES (June issue of Quarterly) must reach the Editor at 4500 Hyridge Drive, Austin TX 78759-8054 by the TENTH OF MAY. They must be BLACK and LEGIBLE, whether typed, hand-written, computer-printed or in superior calligraphy. Months must be SPELLED or abbreviated, not in figures. DATES SHOULD BE SHOWN in accepted genealogical style, that is, DAY, MONTH, YEAR (4 nos.). Allow space for binding at inner margins of facing pages; i.e., your first page will be a left-hand page. Carefully check horizontal pages (reading in the 11-inch direction). Otherwise, the Editor has to position some pages upside down to prevent loss of data in the stapling-punching process. NO 8½ x14 sheets, please! You may submit Lineage or Family Group charts, Ahnentafels, narratives, cemetery inscriptions, Bible records, census data, queries, or a combination of material, just so it is not under copyright. BE SURE to proofread your material for accuracy and clarity so we will not publish faulty or incorrect data. Put name and address of submitter on each page in legible form (not blind embossed). Consult a recent June Quarterly for suggestions. Remember that reproductions are dimmer than originals so try to provide good quality originals.

REMEMBER: Individual membership secures two facing pages. Family or higher membership allows you four pages.

DEADLINES for everything in the Quarterly except book reviews: 10th of February, May, August and October. Material sent addressed only to AGS Box Number may not reach Editor in time.

The AGS Internet Page is at www.main.org/ags
